CHURCHILL DOWNS FLOODED

UNEXPECTED RAIN MARS THE GOING AT THE OUTSET OF THE DAY'S RACING.

Sleeth Proves Victorious in the Cherokee Selling -Converse Takes a Purse for W. Gerst-Pertinent Notice to Owners from New Orleans.

Louisville, Ky., October 4.—Rain toat fell heavily just as the borses were on their way to the post for the opening race at Churchill Downs today brought about a change in the going and again gave opportunity to the mud larks. The full force of tac storm was spent during the running of the opening race. There was a cessation of the down-pour before the horses were called to the post for the second race. The attendance did not suffer from the weather, as most of the spectators had reached the track before the storm broke.

The Cherokee Selling Stakes, with \$1,000 added, and a handicap for sprinters at three-quarters were the ouistanding offerings of the card of seven races. The stake race developed a rousing finish between Sleeth and Goldcrest Boy, with the former the victor by a neck.

Grover Hughes, which was deficient in speed in his start Saturday, had plenty of it this afternon and led the others to the streich. Then Sleeth wore him down and Goldcrest Boy also beat him out for second money. The stake was worth \$1,110 net to Sleeth.

William Gerst wen the first pure that has gone

min down and Gooderest Boy also beat him out for second money. The stake was worth \$1,110 net to Sleeth.

William Gerst wen the first purse that has gone to his credit in a long time when Converse scored in the three-quarters handicap over Dr. Larriek. The latter would have given the winner a closer argument but for being sharply cut off by Converse. Jockey Garner signalized his return to the saddle, after his five days' suspension incurred at Douglas Park for rough riding, with a victory on T. C. McDowell's Primero. The latter was an outstanding favorite and gave his backers some concern in the early running by refusing to extend himself, but he won easily enough.

The largest field that has started for some time, was in the opener, and has kay proved best. Rifle Shooter was a big disappointment in the sixth race, when he failed to finish better than third. He appeared to flounder hadly in the first three-quarters, but finished well. Lady Worthington, the winner, was right at home in the going and won easily.

The following notice from Joseph A. Murphy to J. B. Campbell was posted at the track this morning: "Horsemen are warned not to ship to New Orleans unless they have stalls reserved in advance. No one will be permitted to race who is not stabled in the grounds. No borses will be taken off the cars. Application for stable room must be made to J. B. Campbell at the Kentucky tracks, or to me direct at the Fair Grounds, New Orleans, Le."

J. L. Holland has contracted with jockey Lapaille for second call during the Latonia meeting.

Jockey Walter Taylor was called home suddenly by the death of his father at Lexington yesterday.

J. P. Ross has bought for H. V. Colt's account from Howard Oots the horse Brave o' Day. He will be used for cross-country purposes.

CURRENT NOTES OF THE TURF.

E. P. O'Meara of Dow City, Iowa, reports the death of the three-year-old filly Dolly Hays by Bowling Green-Catherine Hays.

At five different sales, held in New York Saratoga and Lexington, during this year, there were sold twenty-one yearlings by Ballot for \$33,675, an average of \$1,603 each. Certainly a splendid showing for this popular young sire.

The racing at Newmarket, England, of September 16 was marked by the re-appearance of D. Maher in the saddle, after an absence of nearly two years. He had the mount on Sun Tat in the Eriswell Plate over the Rowley Mile, but 141 pounds was too much for the horse and he ran unplaced.

much for the norse and he ran adjances.

George Edwardes, one of the best-known theatrical producers of the world, died in London yesterday. He was much interested in the turf and owned a big stable of racers. He was an interned prisoner in Germany for a time after the outbreak of the present war, but was released eventually, his horses winning frequently during his enforced absence.

sence.

The highest-priced colt bought by Charles T. Patterson in England was a magnificent chestnut by Tredennis—Ladytown. for which there was keen bidding and which finally fell to his bid of 1.100 guineas. Ladytown is the dam of the crack racers, Loagtown and Florist, to which the youngster is a half brother, they being by Sundridge and Florizel II. respectively.

GEORGE SMITH REGAINS FORM QUICKLY.

Takes the Annapolis Stakes from Good Two-Year Olds with Ease-Improved Weather and Track.

Laurel, Md., October 4.—Edward McBride's crack two-year-old George Smith showed a return to his old form this afternoon, when he accounted for the Annapolis Stakes, a dash of three-quarters, in an easy manner and in which he defeated a good band of two-year-olds in fast time over a drying-out track. In his race today, in contrast to his previous starts at Havre de Grace, he was sent to the front by Byrne, raced into a long lead quickly, and was eased up at the end. Slipshod was the first to show in motion out of the chute, but his advantage was short lived, for he was soon outpaced by the winner. The stake carried an added value of \$2,000 and was worth \$2,200 net to the winner.

outpaced by the winner. The stake carried an added value of \$2.600 and was worth \$2,260 net to the winner.

The card offered this afternoon brought together small fields. The weather showed a decided improvement, being summerlike, and a large crowd was on hand. The patronage of the machines was again exceptionally good. The colors of J. E. Madden were victorious for the first time at the meeting when Bonaie Carrie lasted long enough to beat a rather mediocre band of two-year-olds by a narrow margin in the second race.

The running of the third race resulted in a change of owners when M. B. Fisher claimed Noureddin for the Marrone Stable.

Joseph Marrone was a visitor this afternoon from New York.

Tom Elward, the Toronto sportsman after whom Edward McBride's good two-year-old is named, was a visitor here today.

Edward McBride has purchased a bay yearling son of Cunard and Wayward Lass from E. R. Bradley and he will be taken up shortly. This is a brother to Buzz Around. It is the intention of Mr. McBride to attend the coming yearling sales at Lexington and make other purchases. All of the McBride horses will be wintered at Pimlico and it is intended to convert Squeeler into a jumper. He has shown ability to race over the turf course and with his speed should make good in the steeplechase field.

Monte Preston has taken up twelve horses that he will campaign at New Orleans next winter.

with his speed should make good in the steeplechase field.

Moute Preston has taken up twelve horses that he will campaign at New Orleans next winter. They have been turned out and freshened in Kentucky.

The last of the horses came over from Havre de Grace this morning.

Iv. J. S. Tyree is stabling his good string at the old Benning course and those engaged are brought to the track daily. Dr. Tyree has three stalls at Laurel, so he is able to keep one here when it becomes necessary.

H. G. Bewdell has decided to divide his stable the coming winter and race both at Havana and New Orleans. The success of Early Light in the steeplechase field has induced him to convert a half dozen others into jumpers. He has not yet decided just which to put to this end of the sport. Mr. Bedwell has received word from Kentucky that his mare Jacquelina is in foal to Cunard. She will be shipped to his Maryland farm within a few days.

THIRTY LEADING AMERICAN JOCKEYS.

In the course of two weeks of racing, ending with last Saturday, no jockey was able to attain double figures in winning mounts, F. Cooper and W. Doyle coming closest with an addition of nine to their totals. Showing that riding honors were well distributed, W. Lilley, R. McDermott and C. Gross each rode eight winners, while M. Garner, R. Goose A. Mott. E. Pool, J. Kederis and J. Callahan each guided seven. Up to the time named the records of our thirty most successful riders of the year stood as follows: Mts. 1st. 2d. 3d. Unp.
